Employment: The City of Erie does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under title I of the ADA.

Effective Communication: The City of Erie will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the City of Erie's programs, services, and activities, including qualified sign language interpreters, documents in Braille, and other ways of making information and communications accessible to people who have speech, hearing, or vision impairments.

Modification to Policies and Procedures: The City of Erie will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services, and activities. For example, individuals with service animals are welcomed in City of Erie offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service, or activity of the City of Erie should contact:

The Office of the ADA Coordinator
626 State Street, Room 507
Erie, PA 16501-1128
(814) 870-1111

As soon as possible, but no later than 48 hours before the scheduled event.

The ADA does not require the City of Erie to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service, or activity of the City of Erie is not accessible to persons with disabilities should be directed to the ADA Coordinator (contact information above).

The City of Erie will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/service or reasonable modifications of policy, such as retrieving items that are open to the public but are not accessible to people who use wheelchairs.
